**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I want more competition in my ISPs. I use a local provider who offer far better service than the "big box" competitors. Furthermore, this is supposed to be a free market country, not one where monopolies reign supreme. Encouraging competition in the market place is the best for the american people and in line with our country's economic philosophies.
